IIDA Michigan Golf Outing & Annual Meeting– COVID Protocols

Keeping the IIDA Michigan members and guests safe and secure is a top priority. IIDA Michigan is asking all participants to complete the screening questionnaire to help reduce the potential exposure risk to our members and guests. Thank you for your cooperation.

Upon arrival the following protocols will be required by all attendees:

- digital questionnaire
- face mask confirmation
- temperature check

IIDA Golf Outing COVID protocols and required prevention measures

- Please wear a provided mask or your own personal mask while indoors or outdoors when you are unable to keep a social distance of 6ft from other people.
- Avoid hugging or shaking hands.
- Use hand sanitizer frequently.
- Avoid touching your face.
- Plastic dividers are provided on all golf carts. Please leave dividers intact for the duration of golf outing.
- The event in its entirety will be held outdoors.
- The clubhouse restrooms will be open, but please note the on course restrooms are closed.

If you are experiencing any cold or flu-like symptoms currently or within the last 14 days (including fever, sore throat, respiratory illness or difficulty breathing) please do not attend the event. If you have registered for the event and are unable to attend, please notify IIDA for a refund on your registration.

While we understand there are no current shelter-in-place orders, we would like to know if you have travelled more than 300 miles outside of the Detroit Metro area in the last 14 days. Please notify IIDA for clarification or refund on your registration.

If you have been in close contact with someone diagnosed with the coronavirus (COVID-19) in the last 14 days please do not attend the event. If you have registered for the event and are unable to attend, please notify IIDA for a refund on your registration.

In keeping with the times: our meal-service respects COVID-19 service standards. Tables of 10 are limited to 6 people per table, and tables are spaced generously across the property for privacy and safety. Food is prepared and served by staff wearing PPE, with limited contact.
